

Bench Donation Request

This form does not guarantee the placement or acceptance of a bench.
This form is for the explicit purpose of demonstrating intent and initiating an exploratory response.

The Lorain County Metro Parks (LCMP) offers a limited opportunity for benches to be donated and dedicated in honor/memory of a loved one or for the purpose of celebrating or commemorating an event or organization. It is the sole discretion of LCMP to determine the availability and location(s) for a bench. The monetary donation required varies by park and style of bench. The pricing ranges from \$850-\$1,500. This pricing is reflective of the heavy-duty commercial-style benches selected for overall quality and durability. While LCMP performs the highest levels of maintenance and care, benches are not guaranteed to remain in place perpetually. Due to weather, damage, and/or normal wear and tear, benches have a life span and must be replaced and/or removed due to safety or aesthetic reasons. A replacement bench would require a donor to submit additional funding.

To begin the bench request process, return this completed form to the LCMP administration office c/o Public Information Officer at 12882 Diagonal Rd., LaGrange, OH 44050, or email to pr@loraincountymetroparks.com.
