

# Flat Andy

While you and your children are exploring, exercising, or relaxing in LCMP's Reservations, other green spaces, and your own backyards, bring Ranger Andy with you and photograph her or him enjoying time in the Great Outdoors! Post your photographs to your social media pages (Facebook, Instagram, Twitter, etc.) with the hashtag #LCMPflatAndy to share your "FUN-in-nature with Flat Andy" with others! It's as easy as: print, color, cutout, pose, photograph, & post!
