

Snowshoeing & Cross-Country Skiing

Snowshoeing and Cross-Country Skiing are permitted in all public Lorain County Metro Parks.

For safety, LCMP snow removal efforts are first focused on parking lots and walkways. Many trails are cleared when staffing, equipment, and time is available. Some trails, however, are purposely left snow-covered to allow visitors to enjoy winter recreational activities on their own. Below is a list of recommended trails where visitors can enjoy snowshoeing and/or cross-country skiing.

TRAILS RECOMMENDED FOR SNOW RECREATION

Carlisle Reservation
Equestrian Center North and South Loop Trails
